September 13, 2011

Flexiplumb has actively worked within the Aged Care industry for 15 years. When it comes to health care and accommodation for the elderly, it is paramount that facilities are maintained to meet current Health Department standards, and local requirements.

At Flexiplumb we know the special requirements and standards needed, whilst respecting the rights of residents in their home. From the large non for profit sector through to the ever expanding private sector, Flexiplumb have a passion for Aged Care and have an unmatched reputation for rapid response and getting 'it' right the first time.
